## **PROFIT WARNING ANNOUNCEMENT**

This announcement is made by China Shun Ke Long Holdings Limited (the “**Company**”, together with its subsidiaries collectively referred to as the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment by the Group’s management on the unaudited management accounts, the Group is expected to record a decrease of approximately 50% in the profit for the year ended 31 December 2017 (the “**Year**”) as compared to the profit for the corresponding period last year.

Based on information currently available, such decrease in the profit for the Year is mainly attributable to (i) the cost of approximately RMB1,200,000 for hiring more managerial staff and the general increase in the minimum wages in Guangzhou; (ii) the professional fees incurred in relation to the mandatory unconditional cash offer for the shares of the Company for approximately RMB2,300,000 and (iii) a drop in government grants by approximately RMB4,000,000 as compared with the corresponding period last year.

The information contained in this announcement is only based on the preliminary review by the Group's management on the unaudited management accounts of the Group for the Year and is not based on any figures or information that has been audited or reviewed by the auditor of the Company. The annual results announcement of the Group for the Year is expected to be published by the Company in late March 2018.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
