China Shun Ke Long Holdings Limited
Wang Zheng
Chairman and Executive Director

This Appendix serves as an explanatory statement given to all the Shareholders, as required by the Listing Rules, to provide all the requisite information in relation to the Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASES OF SECURITIES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid shares on the Stock Exchange subject to certain restrictions, the more important of which are summarised below:

(a) Shareholders' approval

All proposed purchase of securities on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by the shareholders by an ordinary resolution, either by way of a general mandate or by a specific approval in relation to a specific transaction.

(b) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the number of issued Shares at the date of passing of the proposed resolution granting the Repurchase Mandate.

As at the Latest Practicable Date, the Company had 290,457,000 Shares in issue. Subject to passing of the proposed resolution for the grant of the Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the Annual General Meeting, exercise of the Repurchase Mandate in full would result in up to 29,045,700 Shares being repurchased by the Company.

(c) Reason for repurchase

The Directors believe that it is in the interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase securities of the Company on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or its earnings per Share of the Company and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

(d) Fund of repurchase

In repurchasing securities, a company may only apply funds legally available for such purpose in accordance with its constitutive documents and the laws of the Cayman Islands, being the jurisdiction in which the Company was incorporated.

As compared with the financial position of the Company as at 31 December 2017 (being the date of its latest audited accounts), the Directors consider that there would not be a material adverse impact on the working capital or gearing position of the Company if the Repurchase Mandate was to be exercised in full during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level (as compared with the position disclosed in its most recent published audited accounts) which in the opinion of the Directors are from time to time appropriate for the Company.

(e) Connected parties

None of the Directors nor, to the best knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) has any present intention to sell Shares to the Company if the Repurchase Mandate is approved by the Shareholders. As at the Latest Practicable Date, no core connected person (as defined in the Listing Rules) had notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

(f) Undertaking by Directors

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

(g) Takeovers Code

If as a result of a securities repurchase, a Shareholder's proportionate interest in the voting rights of the repurchasing company increases, such increase will be treated as an acquisition of voting rights for the purpose of the Hong Kong Code on Takeovers and Mergers (the "**Takeovers Code**"). Accordingly, a Shareholder or a group of shareholders acting in concert (as defined under the Takeovers Code), depending on the level of such increase, could obtain or consolidate control of the company and may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the substantial shareholders (as defined in the Listing Rules) of the Company were beneficially interested in 204,558,317 Shares, representing approximately 70.42% of the issued Shares. In the event that the Directors exercise the Repurchase Mandate in full in accordance with the terms of the ordinary resolution to be proposed at the Annual General Meeting, the interests of the substantial Shareholders in the Company would be increased to approximately 78.25% of the issued Shares.

Accordingly, the Directors are not aware of any consequences which may give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code as a result of any repurchase made under the Repurchase Mandate.

(h) Public float

The Directors confirm that the Repurchase Mandate will not be exercised to an extent where the amount of Shares held by the public will be reduced below 25%.

2. SHARES PURCHASE MADE BY THE COMPANY

During six months preceding the date of this circular, no Shares have been repurchased by the Company.

3. SHARE PRICES

During each of the twelve months from May 2017 and up to the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:

Month	Price Per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2017		
May	3.95	3.48
